

Advent by Candlelight

The Advent Season is a season of change. The fall gives way to winter, the days are shorter and darker, and we await the Child that will change the world.

Even Mary and Joseph had to change. Joseph went from a simple carpenter to the caretaker of Jesus. Mary went from a simple wife to the Mother of God. Their lives would never be the same.

These times call us to change. We are to change with the seasons, change with Joseph and Mary, and change among ourselves to celebrate Advent by Candlelight in a new but just as meaningful way.

Advent by Candlelight 2020 will be virtual. It will be live streamed from St. Anthony Church at 3:00 PM on November 29, 2020, the first Sunday of Advent. The speaker, Sr. Loretta De Domenicis, FMA, will guide us through "An Advent Walk with Mary."

Sr. Loretta is no stranger to us at St. Anthony's. She was our first Advent by Candlelight speaker in 2016. After hearing her presentation on the lantern, many participants bought one for their home!

While we can't be together in our festive, fun-filled way, we can still be together in spirit. So, light a candle, grab a cup of your favorite beverage, and allow the spirit of Advent to envelope your heart, mind, and soul as we celebrate Advent by Candlelight anew!

Sr. Loretta De Domenicis, FMA is a Salesian Sister who loves to serve the young with joy! She brings to us a wealth of experience and stories to help us grow closer to Jesus and His Mother during this Advent Season. The theme is: "An Advent Walk with Mary!"

A woman's job is endless, attending to numerous details, so come be renewed, refreshed and leave better for having been part of St. Anthony's 1st virtual Advent by Candlelight Experience.
